# RadioCombo

## Hassle Free *MPT Radio* and *Network Combinations*

Issue: #3

### Overview

TeamTalk and Logic Energy in conjunction with selected authorized Tait Dealers have developed a package that provides you with an exciting new hassle free approach to accessing trunk mobile radio. Their key benefits to you are:

- Choice from three quality Tait radios
- No up front capital required
- 3 years support

### What's Included

- A mobile radio, network airtime and a coverage plan:
  - *Coverage* – to meet your needs
  - *Airtime* – reasonable use (normally up to 300 minutes per radio per month)
- PSTN charges are at current rates for existing customers and for new customers by negotiation
- 3 years back to base warranty (back to the Dealer/Installer)
- TeamTalk Helpdesk support
- TeamTalk Insurance

There is more detailed information on the next page...

Continued

## Notes:

- **Pricing excludes GST**
- The RadioCombo Package is fully tax deductible.
- TeamTalk retains ownership of the radios
- The \$75 TP8140 handheld package includes a battery and charger.
- The Dealers may charge you a modest programming fee for setting up the handhelds.
- In the \$70 TM8235, TM8254 and TM8255 mobile packages the Installation costs are between the dealer/Installer and you directly.
- In the \$75 TM8235, TM8254 and TM8255 mobile packages you will need to get an installation quote from the dealer/installer, on completion of the installations we will pay the dealer the subsidy directly and you will only need to pay the Dealer any balance greater than \$160 per installation.
- PSTN charges are at current rates for existing customers and for new customers by negotiation.
- You will receive a welcome letter confirming acceptance of the Agreement and a second letter listing all the product details once the installations are completed.
- Warranty is on a return to any authorised Tait Dealer basis and excludes physical damage (malicious damage or breakages):
  - 36 months – radio only
  - 12 months – accessories including chargers and batteries
- Non-warranty repairs will be at your cost and can be sorted out directly with an authorised Tait Dealer.
- Purchase options are **NOT** available.
- Data is **NOT** available with this RadioCombo option
