

P6103 AM/FM SEAMASTER PRO SERIES 1.8M ANTENNA

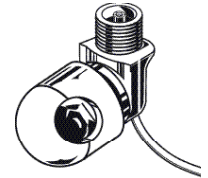

**PACIFIC
AERIALS**

- An ideal choice for motor boats 4-6m long, where a 2.5m antenna would look oversized
- Unique Pro Series design allows the antenna to be removed and remounted at the owner's convenience
- Outstanding electrical performance
- The tuned dipole design produces optimum performance on FM
- UltraGlass stands up to high UV and harsh marine environments for years
- The radio plug is supplied fitted to the cable on the Pro Series mount, so the installation is "plug and play"
