FOR AUSTRALIAN & NZ CONDITIONS

### Uninterrupted Communication

Master Scan® allows a group of users to seamlessly communicate on not just one channel but a group of channels. If your current channel is interrupted by others outside of the group, all radios in your group will automatically hop to a new clear channel allowing seamless uninterrupted communication to continue.

### SMART MIC TECHNOLOGY

- 3-Way Smart Key
- Built-in Dynamic Speaker
- One Touch Control

### Voice Enhancer

Choose from 4 different audio settings (Normal, Bass, Midrange and High) to provide a natural Voice Enhancer for super clarity and performance.

Only Uniden can bring you this technology – Voice Enhancer.
