

SPOT FOR BUSINESS

SPOT devices deliver affordable, reliable, location-based tracking, messaging and life-saving S.O.S. technology to hundreds of thousands of users around the world 24/7.

SPOT X[®] 2-WAY SATELLITE MESSENGER *with Bluetooth[®]*

SPOT X provides 2-way satellite messaging so you can stay connected to remote and lone workers, even outside of cellular range. Connect SPOT X to your smartphone via Bluetooth wireless technology through the SPOT X app to access your contacts and communicate easily. This includes direct communication with emergency services and pinpoint satellite location of employees. SPOT X is flexible too; each unit has its own U.S. mobile phone number so units can be reached via cell or other SMS devices at any time.

BACK OFFICE SOLUTION

SPOT My Globalstar provides location-based enterprise solutions with a tailored array of Globalstar GPS tracking devices. Managers can interact with all devices and operators from a single, centralized, cloud-based platform that provides live or historical tracking of personnel, vehicles, and assets on-demand.

- Live and Historical Tracking
- Reporting
- Live Alerts
- Geofencing
- Grouping

FEATURES

-  **BLUETOOTH** - Easily connect the SPOT X device to the SPOT X app and have satellite connectivity at your fingertips.
