NEW ZEALAND

SPOT X with Bluetooth®

The SPOT X provides 2-way satellite messaging so you can stay connected with family and friends when you are off the grid and beyond cellular coverage.

Each SPOT X has its own unique US mobile number allowing you to exchange SMS messages with mobile phone users, or send and receive emails, wherever you're located.

If preferred, you can connect the SPOT X to your smartphone via Bluetooth and use your mobile phone and the SPOT X app to communicate easily with family, friends, or directly with Search & Rescue services in a life-threatening situation.

The SPOT X device requires an active service subscription to operate. All subscriptions auto-renew at the end of the contract term. Message allotment includes both incoming and outgoing messages by email and SMS. *All Plans are subject to a one-time activation fee of US\$23.00. **Enrollment in any Flex Plan is subject to an Annual Flex Charge that is collected once per year at renewal, even if the device is suspended at that time. This Flex charge allows you to suspend the service at any time during the year without activation fee recurrence when turning service on again. All Flex Plans have a one month minimum term.
