

New Product Release

Limited-Edition McGrath Foundation Handhelds and Microphones

22nd June 2022

GME is excited to announce that we will again be running a limited-edition pink TX6160XMCG Handheld UHF CB radio to support the McGrath Foundation. The ever-popular TX6160XMCG is ideal for a range of applications or simply anywhere you need your Handheld UHF CB radio to stand out.

The TX6160XMCG features class-leading 5 Watt transmission power, an IP67 ingress-protection rating for outstanding performance and years of reliable use in the harshest Australian environments, up to 30 hours battery life, VOX hands-free mode, and a built-in LED torch.

Also available are the heavy duty MC553MCG and MC557MCG microphones with magnetic microphone holder to suit our TX4500S and TX3500S UHF CB radios, plus the ultra compact and lightweight TX667MCG 1 Watt Handheld UHF CB radio.

As part of our ongoing corporate partnership with the McGrath Foundation, GME will donate 10% of the sales of these limited-edition pink products directly to the McGrath Foundation to assist in their tireless efforts of funding and supporting McGrath Breast Care Nurses in communities across Australia.
