SPOT GEN4™

SATELLITE GPS MESSENGER

SOS | TRACKING | CHECK IN | HELP

SPOT GEN4

SPOT Gen4 gives you a critical, life-saving line of communication when you travel beyond the boundaries of reliable mobile service. SPOT Gen4 lets family, friends, and colleagues know you are OK, or if the unexpected should happen, sends your GPS location to emergency responders all with the push of a button. Add this rugged, pocket-sized device to your essential gear and stay connected wherever you play or work.

Enhanced TRACKING FEATURES

CUSTOM TRACKING RATE

Select from available tracking intervals of 2½, 5, 10, 30, or 60 minutes and share your adventures in near real-time via the SPOT Mapping Shared View.

CONTINUOUS TRACKING

SPOT Gen4 will send tracks at your chosen interval for as long as your device is turned on and moving (no need to re-set after 24 hours). Tracking doesn't stop until you do!

MOTION-ACTIVATED TRACKING

SPOT Gen4 continuously tracks your location while in motion and vibration sensors tell SPOT Gen4 to stop sending track messages only when you stop moving.

DEVICE Features

- 
HELP
 Request help from your friends, family and colleagues at your GPS location.
- 
CUSTOM MESSAGE
 Let contacts know where you are by sending a pre-programmed message with your GPS location.
- 
TRACK
 Automatically send and save your location and allow contacts to track your progress using cloud-based mapping.
- 
SOS
 With the push of the SOS button, SPOT's 24/7 global search & rescue service provides your GPS location coordinates to local authorities for the quickest response to your emergency.
- 
CHECK IN
 Let contacts know where you are and that you're okay with a pre-programmed message.

"I'M GLAD I HAD IT. I USE IT EVERY DAY. I CAN'T THINK OF A BETTER DEVICE."

- John Gregory
 SPOT CASE #23325

SPOT SERVICES

BASIC SERVICE PLAN

Required for all SPOT devices. With the SPOT Gen4's Basic Service Plan, you can send unlimited Check In, Custom, Help, Tracking and SOS messages, all at the push of a button. Enjoy custom tracking intervals of 5, 10, 30, and 60 minutes and set up Movement Alerts. With Continuous and Motion-Activated Tracking, SPOT Gen4 will continuously track your location while in motion and only stops sending track messages when you stop moving.

SEARCH AND RESCUE MEMBER BENEFIT

Our search and rescue coordination center provides customers access to a 24 hour Crisis Response Center Hotline, as well as a number of Medical and Security Benefits should they experience an emergency during travel.

€29.99 FOR AN ANNUAL PLAN

No additional costs for any crisis response or assistance.

Terms and Conditions apply. Flex customers pay an annual flex fee of €34.95 even if their device is suspended at the time of renewal. This gives the customer the ability to start and stop their service at anytime during the year.

***"Unlimited" refers to email communications. SMS communications limited to 200 messages. A surcharge of €0.15c per message applies thereafter. Alternatively, purchase an additional 200 messages for €20 upon activation.
