

P6107 AM/FM SEAMASTER PRO SERIES HELIFLEX ANTENNA 0.3M

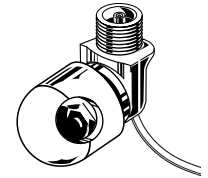

**PACIFIC
AERIALS**

- Designed for in harbour radio reception
- Unique Pro Series design allows the antenna to be removed and remounted at the owner's convenience
- Ideal for RIBS and other small craft
- The flexible radome stands up to the most rugged environment
- The P6107 heliflex can be interchanged with the P6103 (1.8m) or P6104 (2.5m) AM/FM Pro Series antennas - they all fit on the same mounts
- The radio plug is supplied fitted to the cable on the Pro Series mount, so the installation is "plug and play"
